About This Game

Welcome to the colorful apocalypse, and good luck.

Dreadlands is a turn-based skirmish strategy game in a shared world where you battle for the valuable resource - Glonithium, “Glow” for short. Explore the lush world in Dreadlands by travelling across its many regions with your misfit gang of miscreants and mercenaries.

It is set in a living post-apocalyptic shared world where players frequently encounter and interact with each other. Danger lurks around every corner as they sometimes cooperate in PvE, and other times they pick fights in bloody PvP battles.
