Worried about a few 'special needs' movies being banned at this point? This 'special needs' feature is a thing for 'real world' karting events and movies.. It's the same 'special needs' feature where the only vehicles allowed are the ones that make you feel 'special.' Well, maybe not special enough to cause harm.... Tecmo Super Bowl 2005 Various games from the game that made the Super Bowl, including the first "Fantasy Sports" game.
